Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

The communication filed on March 05, 2002 is *non-responsive* to the prior Office action because Applicants have failed to identify those claims reading on the elected species. Additionally, an election from each of the two species requirements is required. One from the "Slurry Species" and one from the "Flowpath/Cartridge Species." Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) OR (b), but the period for response set in the last office action may be extended up to a maximum of SIX MONTHS.
